

The use of External Experts in DUS testing in France

Technical examinations are carried out under the authority of:

GEVES
Services Accords de Coopération Internationale
25 Rue Georges Morel
CS 90024
FR - 49071 BEAUCOUZE CEDEX
FRANCE

External experts are involved in the DUS testing of agriculture, vegetable and fruit varieties carried out in the frame of the national listing procedure. Candidate varieties examined only in the frame of an application for Community plant variety rights are not subject to consultation with external experts.

The following members form the advisory committee for the period 2017-2019:
